

# **VOLUNTEER OF THE MONTH**

## **Jackie Pomeroy**

**Our Volunteer of the Month is Jackie Pomeroy. Jackie was born near Pittsburgh, PA, and has lived in Texas since 1998. She also lives 125 miles from Houston and still makes almost all the General Meetings and other events RICH has to offer. Jackie is a proud mother of two daughters, who both have attended school here in Texas. One Daughter graduated from U of H and her other Daughter is a sophomore at University of Texas.**

**For Jackie's "DAY JOB" she is a high school teacher currently teaching Algebra 2.**

**Jackie has been a member of Rich since 2009, and helps out every month in various tasks at the General Meetings. Jackie says that she Volunteers because she believes in supporting any organization that she is a member of. There are never enough Volunteers in any organization and that she also learns so much from talking to so many different people at all the meetings.**

**Jackie's investment goal this year is to match her current income with passive investment income so that she can quit her "Day Job" if she wants to.**

**Jackie's advice to new members is: Do something for your business everyday. Keep a log to make sure you are really doing something. Go to ALL of the Intro Classes , and attend as many workshops and General Meetings as you can. Network, Network, Network, and pick everyone's brain you can.**

**One last thing from Jackie She believes the best is yet to come Study the market and be flexible enough to shift when it does.**

**RICH would like to thank Jackie for her valuable contribution to this organization.**
