

VOLUNTEER OF THE MONTH

JUDY THOMPSON

Our Volunteer of the Month is JUDY THOMPSON. Judy was born in West Virginia. Judy has lived in Hilltop Lakes, Texas for the past 16 years (about 125 miles north of Houston), which she travels from every month to the RICH General Meetings.

Judy has been a member of Rich since May 2009, and helps out every month in various tasks such as your friendly greeter at the General Meetings. Judy enjoys being a Volunteer because it allows her to contribute something positive to RICH, and it has also helped her to meet many people.

Judy has learned how important it is to network with others who have similar interest and more real estate experience, and has also learned a great deal about mobile homes since being a member of RICH. Judy wants to learn more at RICH this year about how to develop a dependable passive income without high risk.

Judy's personal advice to new members is to attend as many focus groups and meetings as you can. Take good notes to help in the learning process. Become a Volunteer.

RICH would like to thank Judy for her valuable contribution to this organization. RICH would not be the wonderful organization it is without Volunteers like her.
